ASSEMBLY VIDEO

ALL PARTS SUPPLIED

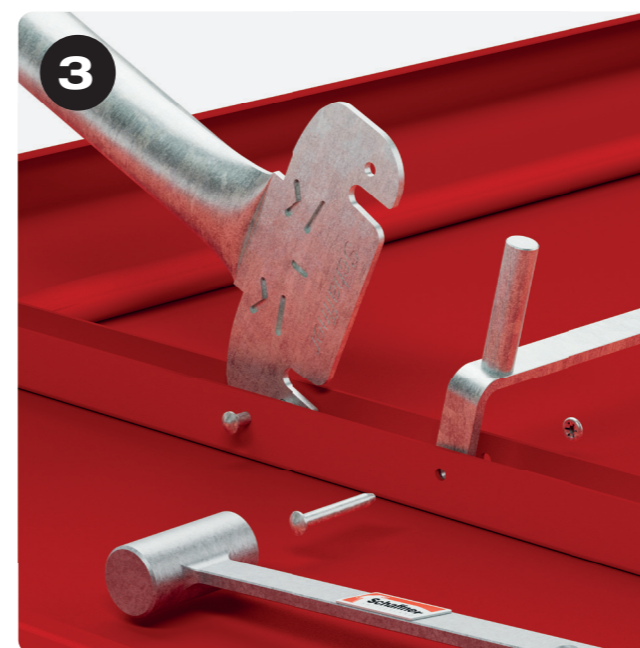

- |                                      |                            |
|--------------------------------------|----------------------------|
| 1 x table top                        | 4 x screws (8 x for 14029) |
| 2 x pedestals                        | 4 x notched nails          |
| 1 x clamping bracket                 | 4 x notched nail holders   |
| 1 x connecting strut (2 x for 14029) | 1 x Allen key              |

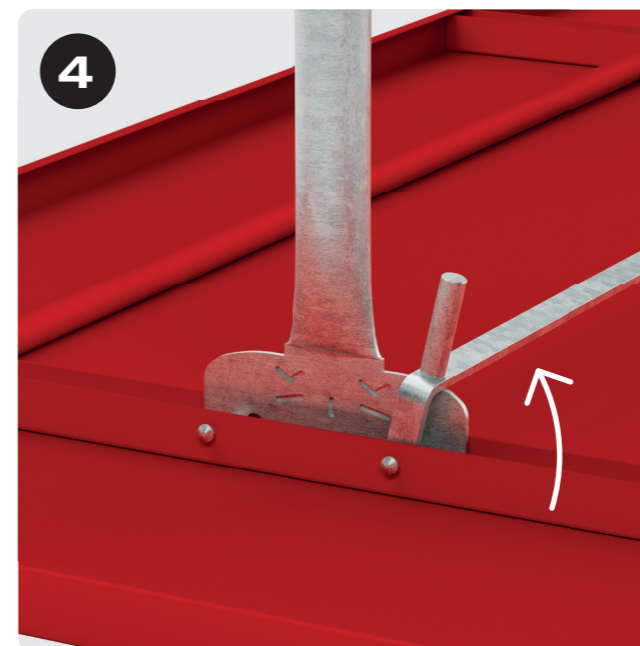

Screw both feet to the connecting strut.

Place the pedestal on the table top so that the pedestal supports are between the struts. Then, fix in place on both sides with a notched nail and a notched nail holder.

Place the clamping bracket between the struts and secure on both sides with a notched nail and a notched nail holder.

Secure the table top with the clamping bracket.

**swiss made** 

We've been making our garden furniture at our factory in Thurgau for over 70 years. With decades of experience, skilful craftsmanship and attention to detail, we manufacture durable garden furniture.

## SAFETY

Please read these instructions before installing and using the product.

- Place a piece of cardboard underneath to protect the table top.
- Make sure that nobody – especially children – puts their fingers into moving or closing mechanisms. This product is not a toy.
- Only install and use it on a firm, level surface
- If there are signs of damage (e.g. loose screws, bent parts), we recommend contacting the retailer.
- Use original Schaffner spare parts to ensure proper functioning.

## WARRANTY

Our products are constantly being improved and refined.

We reserve the right to make changes to their design and technology.

If you would like to make a warranty claim, please contact your retailer.
